## WELCOME TO AMWC CHINA - ZIYALAN

Dear Friends, Dear Colleagues,

China has become the second **biggest anti-aging and medical aesthetics market** in the world, and is increasingly becoming a global behemoth that companies can no longer afford to ignore. Shenzhen is the most **innovative, modernized and fastest-growing city** in China. A medical hub for Southern China and strategically located between Mainland China and Southeast Asia, Shenzhen is accessible to the whole region. This makes for the perfect setting for a partnership between **Ziyalan and EuroMediCom**.

Ziyalan, a foremost producer of congresses in **anti-aging and medical aesthetics within China**, has a vast domestic network of key opinion leaders and influencers. EuroMediCom, organizer of **AMWC and other renowned congresses** around the world, brings a wide network of speakers, attendees and companies from the entire globe.

AMWC China-Ziyalan is dedicated to teaching and exchanging the **highest quality knowledge** and information of interdisciplinary anti-aging medicine and medical aesthetics (including plastic surgery and dermatology) internationally.

AMWC China-Ziyalan strives to be the biggest anti-aging and medical aesthetics congress in the Asia-Pacific region, with over **300 top speakers from China and around the world**, alongside an anti-aging medical aesthetic exhibition, and the Annual China Medical Aesthetic Industry Awards.

AMWC China-Ziyalan is supported by the **Shenzhen Government and China Association of Anti-aging, China Association of Plastic Aesthetic**, and is hosted jointly by the **Shenzhen Luohu District people's government, the Health and Family Planning Committee of Shenzhen, Shenzhen Medical Aesthetic Surgery Industry Association**.

The organizers provide full assistance to all delegates, companies and speakers in order to make their participation more comfortable, including **English translation and visa support**.

We look forward to welcoming you to Shenzhen, China.
